**s44 Appointed Persons Training**

Pythagorisk Pty Ltd is pleased to offering s44 Appointed Persons training to the mineral resources sector. The director developed this training for Tiwest Minerals in 2005 for TNL Consultants and has transferred this business line to Pythagorisk. Since 2005 we have worked with over ten companies and trained over 5000 people. This face-to-face program involves the study of over 12 case studies.

The beneficial outcomes of the s44 Appointed Person Training are:

- Compliance with MSIA s43(2)(b) can be demonstrated.
- More aware operations management staff and the flow-on effect to the workforce resulting in improved safety performance.
- Improved credibility of site management and supervision.

We are proud of our s44 history and leadership position

**About the facilitator:** The facilitator is our director Mr Trevor Little who has a First Class Mine Manager in both Western Australia and South Australia and was a former Head of Department of Mining Engineering and Mine surveying at WASM. He has been successfully facilitating this program for over 11 years. Based on his experience in preparing people for Mine Management positions he is keen to share his experience and intimate knowledge of the MSIA 1994 and MSIR 1995 with all attendees.
