APPLICABLE LEGISLATION EXAM PREP COURSE

Pythagorisk Pty Ltd (PRPL) are pleased to offer face to face Applicable Legislation Examination Preparation Courses. The outcome of this training is that all attendees will be well prepared for the DEMIRS / WORKSAFE examinations. During the course attendees will be exposed to other learners' navigation strategies enabling them to improve their own approach. Learners will develop an understanding of the context of the legislation and the examination and suggested content knowledge relevant to their Statutory Position.

The Facilitator: Our Director, Trevor N Little has a First Class Mine Manager's certificate in SA and WA, has had experience in preparing candidates for Statutory certificates for over twenty years. He has been exposed to six different legislative regimes in his career; one in NSW, one in SA, one in PNG and the current WHS Act is his third in WA.

The Applicable Legislation Examination Preparation Course program includes:

- Day 1 - Face to face awareness training on WHS Act 2020 and WHS(Mines)R 2022
- Day 2 - Focuses on strategies for navigation, comprehension, and attention to detail; skills necessary to pass their open-book Applicable Legislation Exam

Course value: Customised resources provided include:

- Awareness training course notes and position specific guidance materials
- Access to our online exam prep training materials for both WHSA and WHS(M)R for a period of three months
- Access to 50 sample questions (Act) and 50 sample questions (Regs) with additional questions available on request
- Certificate of attendance and all-day coffee, morning tea and lunch.

Venue: To be advised depending on the number of attendees (East Perth or Burswood).

Total Cost: Applicable Legislation Exam Prep Course - \$1400 (for 2 days)

Note: Attendees need to bring own copies of WHS Act 2020 and WHS(Mines)R 2022 (with current amendment Ch 3 Div. 11 Psychosocial risks)

Training dates: Monday 20th May & Tuesday 21st May 2024
