

## DMIRS Online Exam Preparation Courses.

### About the trainer:

The trainer is our director Trevor Little who has a First Class Mine Managers Certificate in both Western Australia and South Australia. Trevor is also the former Head of Department of Mining Engineering and Mine surveying at WASM. He has been successfully facilitating DMIRS exam preparation courses since the late 80's. In addition to this extensive experience TNL Consultants / Pythagorisk undertook DMIRS Exam Marking and Oral Re-sit process under contract for 12 years.

Our online offering is voiced by Trevor Little and follows the same structure of our face to face training with the added benefit of being able to access the material again closer to the exam date for revision.

**First Class Mine Managers Course:** This 2-part course prepares candidates for the First Class Mine Managers DMIRS Law Examinations.

**Quarry Managers Course:** This 2-part course prepares candidates for the Quarry Manager DMIRS Law Examinations.

**Restricted Quarry Managers Course:** This 3-part course prepares candidates for the Restricted Quarry Manager DMIRS Law and Practical Examinations. This course also caters for candidates taking the non-explosives version of the exam.

**Underground Supervisors Course:** This 3-part course prepares candidates for the UG Supervisors DMIRS Law and Practical Examinations.

Please note: Learners enrolling in the Online option prior to February 8<sup>th</sup> will be sent the log in details on February 8<sup>th</sup>. Learners enrolling after this date will receive log in details within 2 business days of payment.
