

**QUARRY MANAGER'S EXAM PREP COURSE**

**PRPL Compliance training**

- WHS Act 2020 awareness training
- WHS(Mines)Regs 2022 awareness training
- Statutory positions exam preparation training

Pythagorisk Pty Ltd (PRPL) are pleased to offer the following customised training program for Quarry Managers (QM). The beneficial outcome of this training is that all attendees will be well prepared for the DMIRS applicable legislation examination. For example, attendee will develop: highlighted copies of the WHS Act 2020 and WHS(Mines)R 2022; an understanding of the context of the legislation and the examination; and suggested content knowledge relevant to their Statutory Position.

**The Facilitator:** Our Director, Trevor N Little has a First Class Mine Manager's certificate in SA and WA, has had experience in preparing candidates for Statutory certificates for over twenty years. He has been exposed to six different legislative regimes in his career; one in NSW, one in SA, one in PNG, and the WHS Act is his third in WA.

**The QM Applicable Legislation Examination preparation course program includes:**

- 1 day FTF training on selected sections from WHS Act 2020 (25 sample questions).
- 1 day FTF training on selected regs from WHS(Mines)R 2022 (25 sample questions).
- Access to our online exam prep materials for a period of two months.

**Venue and course duration:** TNLC training room in East Perth, two-day exam prep course (If more than 12 attendees will move to a larger venue).

**Cost:** \$1,200 for 2-day Quarry Manager's Applicable Legislation Examination Prep - Cost includes: course notes, online access fee, certificate of attendances, all day coffee, morning tea and lunch.

**Note:** Attendees need to bring own copies of WHS Act 2020 and WHS(Mines)R 2022 (with current amendment Ch 3 Div 11 Psychosocial risks)

**Training dates:** Tuesday March 19<sup>th</sup> & Wednesday March 20<sup>th</sup> 2024 – QM Applicable Legislation Examination Prep.

**Note:** The required risk units are also available from our co-owned Registered Training TNL Consultants Pty Ltd.
